

SICO[®] Solid Fuel Portable Food Warmer

Everything needed to cater hot meals to your guests.

Features, Advantages & Benefits

All Riveted Construction - No spot welds that break in extreme heat for increased durability.

Energy Efficient Double-wall Construction - Keeps the exterior of the food warmer from getting too hot to handle. The units are so well insulated that they may also be used to transport cold food.

Sturdy Handles - Convenient top and side handles that make it easy to place the food warmer under your SICO[®] room service table.

Positive Gravity Lock - Gravity lock keeps the door securely closed eliminating spillage of food or canned heat.

Exterior Stainless Steel and Interior Aluminum - Reinforced stainless steel construction for maximum durability. Cleans quickly and easily.

Removable Back Panel

- Repairs easy and affordable.
- Can be converted to electric by changing back panel.
- Easily converts to a mobile unit with handle and wheels.

Storage Shelves

- SICO[®] Food Warmers offer more usable space with three shelves.
- Additional space below allows more servings to be carried in each unit.
- These removable shelves inside the food warmer box fit snugly, eliminating any noisy transportation of food.

Serial Numbers - Each food warmer is marked for easy identification.

Specifications

Model Number	Description	Lbs.	Kg.	Cu.Ft.	Cu.M.
