

Portable Dance Floors

Superior Craftsmanship,
World Class Recognition.

SICO® QUALITY

We invented the first professional portable dance floors in 1964, and continue to be the leading manufacturer and innovator in this product category throughout the world! Each SICO® dance floor is manufactured with the superior craftsmanship, stunning aesthetics, close attention to detail and value-added features that have become our trademark.

A Safer Dance Floor

Positive locking floor means less separation between panels and a safer dance floor. Easily replaceable if damaged.

Low-Profile Trim

Wide trim creates an 11 degree transition slope. Easier transition means reduced liability. Available in silver, black and gold.

Fast & Easy Setup

No specific order for setup or training required. Change the configuration without dismantling entire floor.

Dance Floor Features

High-Pressure Laminate or Parquet

Anodized Low-Profile Trim

Cam-Lock Positive Locking System
(Set Screw on Original)

Panel Sizing

Large 4'x4' Square Panels**:

Spacious 4'x4' (122cm squares), or 16 sq. ft. panels are almost twice the area compared to conventional 3'x3' (91cm squares) or 9 sq. ft. panels.

- Fewer panels mean less storage space, and combined with the cam-lock, setting-up and taking down can be done in almost half the time of smaller panels.
- Manufactured square panels guarantee's a perfect fit every time.

3'x3' Square Panels*:

Each 3' x 3' (91cm x 91cm) panel is manufactured perfectly square, which guarantees a perfect fit every time. Panels are shipped two per carton at 80lbs. (36kg) each. No odd sizes or panel order sequence to deal with in set-up or tear-down, allowing easier and faster set-up assembly.

Dance Surface

High-Wear Laminate**:

More than 7X the abrasion and scuff resistance of traditional laminate. Resists chipping, scratching and fading. Eliminate the re-finishing costs of wood.

High Quality Wood Parquet*:

Solid wood inlaid parquet panels are carefully stained and protected by a durable polyurethane finish.

Anodized Border Trim:

Each section of border trim provides a modest 11° slope and a broad 6.25" (16cm) width, 5" (13cm) width for Original, allowing for easy access to every floor. Each trim piece is grooved for a slip resistant surface. Available in black, silver or gold.

Construction

Cam-Lock Positive Locking

System: A proven locking system for over 20 years. Self-Aligning pins perfectly squares this floor for an easy and fast set-up. (Not available on Original Dance Floors)

Low Profile Design:

Allows easier access and egress. All floor profiles are less than 1" (2.5cm).

Protective Backer:

All floors are manufactured with a protective backer which resists moisture.

Indoor/Outdoor Use:

Panel is 100% waterproof and can be used under any weather conditions without having to worry about warping or delamination. (Starlight II Only)

Precision Tongue & Groove

Design: Allows dance floor panels to easily assemble and disassemble without a panel sequence.

Solid Floor Contact:

All panels have 100% floor contact so there is no possibility of breakthrough. Eliminates the flexing of panels and keeps parquet from coming loose.

T-6 Aluminum Metal Edge:

Panels are joined together by utilizing a tongue and groove, T-6 aluminum feature edge that protects the perimeter of each panel.

Transport & Storage

Transport/Storage Caddies:

Each caddy holds 24 (25 for Original & Cam-Lock) panels and all matching trim. Easy loading feature allows loading and un-loading of panel and trim from both sides. Each unit comes with convenient slots that protect panels and keeps your components neatly organized.

Limited Warranty

10-Year Cam-Lock system warranty. 3-year limited warranty on dance floor system. Visit www.sicoinc.com for warranty details.

Serial Number: Dance floor panels are permanently marked for easy identification.

Space Design

Take advantage of our FREE space design service to determine the optimal layout and number of products for your space.

* - Original & Cam-Lock Only
 ** - Cam-Lam & Starlight II Only

CAM-LAM & STARLIGHT II OPTIONS

Choose Indoor or Outdoor

Choose from the indoor-only Cam-Lam or upgrade to the Starlight II so that you can bring the party outside under the starlight.

Choose Laminate

Choose from 13 standard high-wear laminate patterns. Many other patterns available at Wilsonart.com.

Choose Trim Color

Choose from three standard color options to frame your dance floor. Match your current decor with ease.

Silver

Black

Gold

40'x40' (1219cm x 1219cm)	100	400	4

Assume that only one-third of your guests will dance, so the number of dancers shown in these graphs is only 33% of your total guests.

Storage Caddy

Walk-in design makes loading/unloading easy and safe. Securely holds 24 panels and trim in a 65.5"x30" (166x76cm) footprint.

ORIGINAL & CAM-LOCK OPTIONS

Choose Standard or Quick Setup

Cut setup time in half by choosing the alignment pin option on the Cam-Lock Dance Floor. Alignment pins aid in the alignment of panels during setup. The Original Dance Floor does not have alignment pins.

Choose Parquet Finish

Choose from two standard stain options to enrich the color of the oak parquet flooring. Coated with a high wear polyurethane finish.

Choose Trim Color

Choose from three standard color options to frame your dance floor. Match your current decor with ease.
